## Significant features and benefits

---

- **Cancellation:** irrecoverable expenses and loss of profits (if selected) if the event is cancelled, postponed, abandoned, curtailed or relocated as a sole and direct result of a cause which is entirely beyond your control.
- **Property:** we agree to insure your property or property of others for which you are legally liable against physical loss or damage whilst such property is at the event or in transit to and from it. We have the option to repair, rebuild or replace such lost or damaged property. If selected, cover can also be included for technical equipment or marquees.  
Your policy will automatically include cover for up to £50,000 for physical loss of or damage to buildings, fixtures and fittings, plant and machinery at the venue where the event is held.
- **Public liability:** covers compensation payable to a third-party, following actual or alleged accidental bodily injury or damage to their property, if the incident happens during the period of insurance. We will also pay your defence costs, which are in addition to the sum insured (subject to certain exceptions).
- **Employers' liability:** covers defence costs and/or damages following an injury to someone working for you at the insured event. Please note that in the UK it is a statutory requirement for employers to hold employers' liability cover for full-time, temporary staff and volunteers
- **Money:** covers you for loss of money which belongs to you or you are legally liable for at the event, whilst in transit from the venue to the bank, safe deposit, building society or post office, and whilst in a night safe of a bank or building society.
- **Crisis containment:** covers you for costs incurred with our consent in utilizing the services of our chosen crisis containment provider to limit or mitigate the impact to you of a crisis resulting from a covered claim under any section of your Hiscox policy.

The limit of indemnity will be on an aggregate basis meaning that the limit shown in your policy schedule applies to the total of all costs incurred during the period of insurance. No excess applies to this section.
